01-CA-17-NL	Documentarie s - From idea to realization	VIVA, Sarajevo	Making a documentary - from ideas to films' - VIVA workshops, are creative and innovative learning space provided to young people from age of 13 to 18, allowing them to express themselves about topics concerning their environment, events and problems affecting their upbringing, and most importantly, their personal issues. A documentary is created by working as a team with roles assigned <u>individually to each member, but still allowing</u>	5N	15.2.2017	31.12.2017	10	15.000,00	15.000,00	0,00
02-CA-17-L	Stolac: Summer Academy	Deblokada, Sarajevo	More than twenty years has passed since the war in BiH ended, but our society today seems more devided then ever. "Two schools under one roof" are schools based on ethnic segregation of children from two ethnic groups, Croat and Bosniak, and still operate today in BiH. Stolac Summer Academy project will gather children, both Bosniak and Croat to attend film making workshop for children and <u>youth from Stolac. During the workshop they</u>	5L	10.4.2017	1.10.2017	6	8.981,00	8.981,00	0,00
03-CA-17-L	Small format	BuyBook Sarajevo	Bookstan is the first international literary festival in Bosnia and Herzegovina. It was initiated by Buybook last year, a publishing house celebrating its 20 years since establishing in 1996 with support of the OSF aiming to boost the development of publishing and literary practices in Bosnia and Herzegovina. The Festival aims to create a new forum for critical thinking in BiH, bringing <u>the countrv into the heart of modern global</u>	5L	1.5.2017	1.8.2017	3	23.875,00	23.875,00	0,00
04-CA-17-NL	Potentials of cultural activism	Action, Sarajevo	Goal of the project is to investigate the potential of remembrance for the reactivation of former Houses of culture in 5 Bosnian cities to serve as an open public space for new commons in Bosnia and Herzegovina.	5N	7.4.2017	7.2.2018	10	42.560,00	21.280,00	21.280,00
05-CA-17-L	Like is not Enough	CID Buka	The project will address two key problems: 1) The lack of reporting in the public interest, which is caused by continuing decline of the freedom of expression, political and financial pressure on media, intimidation and threats against journalists and editors and polarisation of media along political and ethnic lines. There is also self-censorship among social media users in order to stop criticism and differing <u>views, which is not applicable in a democratic</u>	5L	20.5.2017	20.3.2018	10	47.200,00	31.467,00	15.733,00

06-CA-17-L	Sindicalization of the city	Crvena	The goal of the project is to build local capacities for democratic organizing and self-governance through the process of building heterogeneous connections at the local level among institutional, formal and non-formal civic and political actors. Through 3 connected set of activities (syndicalization, contextualization, animation-agitation) this project will directly engage in solving issues of urban governance at the local level In	5L	10.5.2017	31.12.2017	7	38.500,00	38.500,00	0,00
07-CA-17-L	BASOC 2	Center for cultural and social recovery	Banjaluka Social Centre (BASOC or Center) was established in order to ameliorate one of the greatest drawbacks of the NGO scene visible in the total neglect of such social spaces while the money was spent for temporary projects only superficially supporting civil society. Instead, we strive for equality politics, solidarity and antifascism as well as the reassertion of the public good and the commons. Our long-term goals are to	5L	1.6.2017	31.5.2018	11	Canceled	Canceled	Canceled
08-CA-17	Analiziraj.ba	Center for media anlysis and policy	Analiziraj.ba is a media watchdog platform that monitors major media in BiH. The site is designed to rebuild the professionalism and credibility of media, gain public trust, and ultimately to engage citizens to think critically and demand accountability. Key results of the project so far show: - ANALIZIRAJ is positioned as one of the major media-oriented portals in BiH and the region which contributes not only to defining the standards of	5N/5L	1.6.2017	30.9.2017	3	20.000,00	20.000,00	0,00
09-CA-17-L	Right to the city	Futura, Mostar	Mostar has big problem with democratic deficit, since the last local elections were held in 2008. Mayor decides about city budget, and citizens don't have any rights (or opportunities) to participate or discuss about it. As a consequence of this status quo, economical situation in Mostar is close to disaster. Aim of this project is to show to all stakeholders that all important matters don't have ethnic issues in the background, and that the real problem is	5L	15.5.2017	15.12.2017	7	27.184,00	27.184,00	0,00
10-CA-17	Javna rasprava.ba	Zasto Ne, Sarajevo	Javnaraspava.ba is a project that aims at raising the level of communication between citizens and parliamentarians around legislation being passed in parliaments, as well as raising the level of knowledge of citizens about different aspects of legislative process. Through this, we expect to continue to empower the citizens and civil society in their advocacy activities. There used to be almost no structured debate around legislative	5N/5L	1.11.2017	1.10.2018	11	22.270,00	11.135,00	11.135,00

11-CA-17-L	Theatre play Welcome	Kontakt	Theatre project Welcome, simple art performance in the water, aims to reassess our intimate relation towards life destinies of refugees and cold political ambiance of Europe welcoming them. Overall goal is to contribute to combating hostility and xenophobia against migrants, asylum seekers and refugees, working on the re-humanization of social and political climates of Balkans and Europe. Specific objective is development of	5L/3L	1.12.2017	30.6.2018	6	29.341,00	14.670,00	14.671,00
12-CA-17-L	Young artists for 25 anniversary	OSF Operational	On the occasion of marking 25 years of establishment, the OSF BiH opened a competition to support young artists and theoreticians of culture. The contest is intended for artists who are active in the field of visual and performing arts and theoreticians and historians of culture and art up to 35 years of age. Support will be given for professional development and / or realization of new work. The candidate should show an active	5L	1.12.2017	15.12.2018	12	18.659,00	2.740,90	15.918,10

Project ID	Project Title	Grantee	Summary	Budget #	Start date	End date	Duration (months)	Budget Amount	Disbursed	Balance
01-EA-17-NL	LGBT advocacy institutional	SOC, Sarajevo	Since we started the professionalization of our organization in 2011, Sarajevo Open Centre has grown into the most relevant civil society organization working on LGBTI rights in Bosnia and Herzegovina. We have also been recognized as a leading stakeholder in the women's rights movement and on the human rights scene in general. In order to continue with our work and therefore achieve the results foreseen in our four year Strategic Plan	5N	1.2.2017	1.6.2018	16	50.000,00	40.000,00	10.000,00
01-RP-17-NL	Roma Recource Center TK	Romano Drom, Zivinice	The problem was, and still there is that they are Roma leaders last year accused each other of creating disunity, individually performed against the structure of the authorities, donors and other institutions and realized very little or nothing positive. Unification of all Members in the Resource Center we have achieved unity today our many donors and the Government otherwise overlook. We perform against government	5N	1.2.2017	31.12.2017	10	18.681,00	18.681,00	0,00
02-RP-17-NL	Roma Resource Center Kakanj	Romalen, Kakanj	The Roma population is the largest ethnic minority which faces many problems. Roma NGOs have made progress in Roma communities or inadequate implementation of the Action Plans, these shifts are almost invisible. Solving the problem of the Roma population through the implementation of Action Plans and funds for their implementation in the context of local and cantonal budgets will contribute to the visibility	5N	1.2.2017	31.12.2017	10	18.275,00	18.275,00	0,00
03-RP-17-NL	Roma Recource Center RS	Roma Union RS	The goal of this project is that through with the various community activities center improve the work of all members of the center, and to ensure the continuation of good cooperation between the Association and a member of the Center, but also of the centers, and through the work of the center involve local authorities in the process of solving the problem of housing, as well as Information on the new Action plan for Roma from 2017 to 2020	5N	1.2.2017	31.12.2017	10	18.948,00	18.948,00	0,00

Roma portal Udar	Media Initiatives Sarajevo		Roma people in Bosnia and Herzegovina are almost invisible in media, especially in Public services who should first promote life of Roma people. Roma language is impossible read or hear in media, so because of that, they are losing their identity in very intensive way. Those facts were enough to come up with an idea to initiate web site of Roma "UDAR" -in Roma language means DOOR. Main long term goal of this web site is to increase	5L	1.3.2017	28.2.2018	11	56.994,00	56.994,00	0,00
05-RP-17-NL	Roma healthcare	Romano drom	The big problem is that Roma do not have regular income and are not employed and therefore they can not provide their families the basic conditions for life. Roma then leave their homes and seek asylum in foreign countries. Immediately there is the problem of the children who then leave the school, they lose the right for healthcare or some Roma do not report to the Employment Bureau at the time. We want to publish public call for	5N	1.7.2017	30.11.2017	4	6.202,00	6.202,00	0,00
06-RP-17-NL	Roma inclusion	Euro Rom	The project will contribute to the effective implementation of the Action Plan for Roma advocating and lobbying the relevant institutions (Employment in the field of telecommunications, a Bureau Tuzla) to establish a legal framework and effective mechanism for Roma employment and help young people to be engaged and to impose on the labor market. In addition to the above, another reason for quick action to improve the	5N	1.7.2017	31.10.2017	3	6.128,00	6.128,00	0,00
07-RP-17-NL	Human rights	Romalen	Although preschool education compulsory by law for all children prior to admission into the regular education system, almost no Roma children do not attend preschool education and thus creates barriers to entry into the regular school system. Mediators as an effective mechanism for linking the Roma communities and local institutions need to motivate Roma parents about the importance of attending preschool and other educational	5N	1.7.2017	31.10.2017	3	6.203,00	6.203,00	0,00
08-RP-17-NL	Roma education	Bolja buducnost	At the end of 2016 completed the last cycle of the implementation of organized programs of cervical cancer and breast cancer conducted by our association with the support of OSF, Global Fund for Women and CARE International. The organization with gynecological examinations 64% of Roma women who underwent checkups had normal findings and are directed to further treatment and time. 7% of Roma women had pathology	5N	1.7.2017	30.9.2017	2	4.847,00	4.847,00	0,00

09-RP-17-NL	Roma healthcare	UR Prijedor	It is necessary to point out the need for employment of young Roma who have been concerned in recent years completed secondary education. It is also necessary to indicate that employers have at their disposal a grant for the employment of Roma, which can be obtained from the employment of the Roma population. The project aims to Roma parents to draw attention to the importance of the involvement of the children in the school	5N	1.7.2017	30.10.2017	3	2.828,00	2.828,00	0,00
10-RP-17-NL	Roma education	Sretni Romi	The biggest problem is that in addition to educated young Roma cannot get to the job, even though it is already regulated by law. We plan to Roma in the Tuzla area and Banovic educate through workshops and show how to apply and try to hire the Public Call for employment and self-employment. We plan to visit the Roma community and public and private companies, to present to them the possibility of applying the Public Invitation we	5N	1.7.2017	30.11.2017	4	4.152,00	4.152,00	0,00
11-RP-17-NL	Roma education	Rom za Rome	This year we expect the children to get to know the subjects in which they have difficulty that. in mathematics and from the Bosnian language. We expect good cooperation with schools and parents, but also with the students, and we expect all children fine tune their level of knowledge of these subjects. We expect to increase the number of students who need to enroll in the first grade, and that the children who complete primary school	5N	1.7.2017	30.10.2017	3	3.704,00	3.704,00	0,00
12-RP-17-NL	Roma education	Evropski put Roma	Although Roma are the largest minority, at least they are educated and working, most of them living at subsistence level, and the many prejudices against them and discrimination are their daily life. Evidently least frequent question in the context of solving problems in their support Roma is certainly their more and higher education. The most common problem in the lack of interest and motivation of parents that their children attend school and	5N	1.7.2017	31.10.2017	3	4.261,00	4.261,00	0,00
13-RP-17-NL	Roma employment	ORIV-BMP	We will work on training on topics sexually transmitted infections, sexual and reproductive health, the use of contraceptives protect against sexually transmitted diseases and family planning, and prevention of cervical cancer and breast cancer. We want to work with women and young Roma in Visoko. In addition to educational workshops will have a special workshop with only Roma women with whom we will talk through an informal	5N	1.7.2017	30.9.2017	2	2.397,00	2.397,00	0,00

14-RP-17	Roma healthcare	UR Gradoska	The aim of this project is to get through the education of Roma / Roma women improve their abilities and skills, which will improve their position in the labor market. Activities are aimed at removing the obstacles that prevent them employment and self-employment, by raising the level of education in the two districts - literacy and business plans. The project is conceived as a series of educational workshops in the field of computer and	5N	1.7.2017	31.10.2017	3	3.367,00	3.367,00	0,00
15-RP-17-NL	Roma employment	Romski informativni centar	Implementation of the program to improvement of hygienic sanitation facilities is intended to be recorded Roma from seven communities from the area of ??Gradiska (Lipovaca, Zeravica, Dubrava, Brezik Laminci, Grad, Brestovcina, Rovine) to determine the exact number of households that have no sewer system, after which would be lobbied local authorities to set aside certain funds to resolve this problem. During this project also	5N	1.7.2017	31.10.2017	3	3.332,00	3.332,00	0,00
16-RP-17-NL	Roma education	Romano ternipe	The aim of this project is to improve general and reproductive health of Roma women, through the maintenance of educational workshops. During these workshops, women will get the relevant information on how to solve health problems, improve their health through prevention and to raise awareness and knowledge of general and reproductive health.	5N	1.7.2017	31.10.2017	3	3.338,00	3.338,00	0,00
17-RP-17-NL	Roma education	Romano zuralipe	In the municipality of Vitez, very small number of Roma children attend primary school. On the other side, the small number of Roma children who are enrolled the primary school has a number of problems and it is not uncommon to leave the school. Although primary education is free and compulsory for all children, there are many other costs of schooling which have to be payed by parents : buying clothes, shoes, school supplies, bags	5N	1.7.2017	30.9.2017	2	5.072,00	5.072,00	0,00
18-RP-17-NL	Roma education	Kali Sara, Sarajevo	Primary education is compulsory in BH and free of charge for all children regardless of their gender, religious, national or other background. Although the gap in completing primary education has decreased over time; Roma children still face numerous difficulties in their efforts to complete primary education. The situation is aggravated by the lack of proper data on Roma school enrolment and dropout to be able to design informed and	5N	01.07.2017	31.12.2017	5	25.730,00	25.730,00	0,00
